

EVERGREEN DENTAL
FAMILY DENTISTRY

June 3, 2026

Dear Evergreen Dental Patients,

With great excitement, we're thrilled to announce that Dr. Lau will be welcoming her second baby towards the end of June! She will begin her maternity leave on Wednesday, June 17th. During this time, our associate, Dr. Evanthia Shook, will be continuing your dental care in our office.

Dr. Shook joined our practice last November and has truly enjoyed caring for our patients. If you haven't had the opportunity to meet her yet, she looks forward to meeting you soon. She is extremely talented, compassionate, and shares a similar treatment philosophy with Dr. Lau. Most importantly, she is committed to providing personalized care and building meaningful relationships with patients and their families. We are confident you will continue to receive excellent care during this time.

Our office will remain open during regular business hours (Monday-Thursday), and our amazing team you know and trust will continue to assist with scheduling, treatment coordination, and answer any questions you may have.

Dr. Lau anticipates returning to the office on September 14th and looks forward to seeing all your lovely smiles and faces again.

Thank you for your continued trust, understanding, and support during this special time for her family. Dr. Lau's four-year old daughter, Winnie, cannot contain her excitement at becoming a big sister! Thank you again, it is truly our privilege to care for you and your loved ones.

With Gratitude,

Your Evergreen Dental Team
